EDUCATION

Bachelor of Science: Information Systems **Expected Apr 2028**
Minor in Statistics
Brigham Young University - Marriott School of Business, Provo, UT

- GPA 3.82 / 4.00
- Vice President of BYU Trivia Club; member of BYU Accounting Society, Association for Information Systems, AI in Business Society, and Corporate Finance & Advisory Association

TECHNICAL SKILLS

Development: Python, JavaScript, TypeScript, React / Next.js, HTML / CSS, Tailwind CSS, Bootstrap
Data & Analytics: SQL / PostgreSQL, Supabase, Tableau, Microsoft Excel
Artificial Intelligence (AI): AI-assisted development tools (Claude Code)
Other Technology: Git / GitHub, Vercel, Xero, Microsoft Office

PROJECT EXPERIENCE

Full-Stack Developer (AI-Assisted) **Jul 2026 - Present**
Marks Investment Analytics: Personal Finance Web App, marks-financial-services.vercel.app

- Built and deployed a live personal finance web app in Next.js, TypeScript, React, and Tailwind CSS
- Coded 10+ calculators in TypeScript with React charting, covering mortgage, budget, and retirement
- Integrated live market data through a Yahoo Finance API layer, with Supabase (PostgreSQL) for stored data
- Managed the codebase in Git / GitHub, deployed on Vercel with automatic continuous deployment
- Directed and reviewed all development using AI coding tools; made the stack and architecture decisions

Web Developer **Dec 2025**
Personal Portfolio Website, Brigham Young University, Provo, UT

- Built a multi-page responsive portfolio site in HTML and CSS with BYU brand styling and custom navigation
- Coded a JavaScript memory-match game with card-flip logic, a shuffle algorithm, and DOM manipulation
- Applied the Bootstrap framework for responsive grids and embedded an interactive Tableau visualization

EXPERIENCE

Accounting Intern **Apr 2026 - Present**
Reef Capital Partners, Lehi, UT

- Consolidated financials across 50+ entities and properties to support reporting and analysis
- Maintained and organized investment records for 700+ investors using proprietary data tools
- Coded and processed invoices across Xero and proprietary internal platforms, ensuring accuracy and timely approval
- Assisted with month-end close by reconciling bank accounts and financial statements for 50+ entities

Accountant 1 **Aug 2025 - Present**
BYU Dining Services, Provo, UT

- Performed internal audits on 15 dining locations by analyzing internal reports, reducing inventory misstatements by $100,000+ quarterly
- Developed Excel models using functions to automate recurring financial reports, reducing processing time
- Processed over 100 invoices weekly for 30 dining locations on campus, increasing efficiency by 15%
- Coordinated with suppliers to resolve invoice problems and secure credits, saving $3,000+ quarterly

Volunteer Representative & English as a Second Language Teacher **May 2023 - Jun 2025**
The Church of Jesus Christ of Latter-day Saints, Ulaanbaatar, Mongolia

- Taught English through American Conversational English (ACE), designing lesson plans for hundreds of students
- Mentored 3 new volunteers, overseeing their development, resilience, and cultural integration
- Coordinated community service projects totaling 300+ hours of hands-on community support

Production Engineer **Aug 2021 - May 2022**
Cooksy (start-up), Tucson, AZ

- Architected the end-to-end manufacturing and assembly workflow for smart cooking assistant technology
- Collaborated with executive leadership to integrate Design for Manufacturing (DFM) into future products

OTHER SKILLS & ACHIEVEMENTS

- Eagle Scout, Boy Scouts of America
- Language: Mongolian, advanced
- Interests: Wood & Metal Working, Welding, Personal Finance, Backpacking
